

Contractor Health & Safety Declaration

Urban Precinct acknowledges receipt of the Requirements of Contractors document.
The following have been fully discussed:

- a) Establishment Health & Safety Policy
- b) Fire Evacuation procedures
- c) Specific establishment hazards
- d) Layout of establishment and particulars of areas in which work is to be carried out.
- e) Working hours and access arrangements
- f) Hygiene rules
- g) Responsibilities for health and safety at the establishment and monitoring procedures.
- h) Details of permit to work procedures
- i) Welfare and working arrangements
- j) Environmental noise restrictions

I confirm that all operations at the establishment shall comply fully with the establishment's safety & hygiene rules, and with all relevant Health & Safety Legislation.

Signed: Date: 1st March 2009

Position: Director
