One (1) of the artist's original songs in our recording studio, to a broadcast quality, mastered, release ready state. Through consultation with the artist, it is agreed, which song is the strongest and should be recorded.

For an additional cost programme can be extended to include:

- Presentation Skills: Personal awareness, trademark.
- Personal Performance Coaching: Building confidence, how to cope with last minute nerves.
- Coping with the Press: PR Techniques, selling yourself without selling out.
- Coaching in singing with pre-recorded tracks.
- Choreography: *Moves, Co-ordination, the All-round Performer.*
- 'The Package': *Image Consulting, Photo Session, Merchandise.*
- Showcase attendance.
- Music industry specialist career advice: Shopping material, radio plugging, media handling.

At the sole discretion of Urban Precinct, we reserve the exclusive 1st option to release the finished Master Track produced during the Artist Development Programme, on Urban Precinct Records. However, we do NOT encourage young artists that taking part in our Artist Development Programme ensures, or in any way is a shortcut to getting signed by Urban Precinct Records or any other Record Label.
